

Dear guest,

Visit Vienna! - Even if the Gothic master builders and Baroque castle owners had not thought of wheelchair users. And if also today, barrier-free construction still occasionally falls victim to architectural gimmicks or a lack of consideration.

For years, the Vienna City Administration has made efforts to provide services for people with disabilities and special needs: from sloped sidewalks to guiding strips for the blind in subway stations. But there is still a lot to do: at private companies as well as historic attractions, where landmark protection makes technical changes difficult.

More information, less frustration. That is our guiding principle when it comes to guests with disabilities and special needs. Don't hesitate to ask us for any information that you require. There is one thing you can count on: Whenever obstacles need to be overcome, the friendly Viennese locals will be glad to assist you. The information in these guidelines is well-researched and up to date, but unfortunately it can also change without our knowledge. We would be very grateful if you would let us know about any errors that you may notice, and we will correct them.

VISIT VIENNA! - NOW. FOREVER.

Your Vienna Tourist Board Team,

With the **VIENNA CITY CARD** you explore the city for 24, 48 or 72 hours. You can use public transport (subway, bus or tramway) or the Hop-On Hop-Off tours of Big Bus Tours and get discounts to numerous attractions - from museum to heuriger. Many of these sights already provide discounts to visitors with a valid disability card and their companions; they are unable to offer additional price reductions. The Bonus Book will give you information on where the **VIENNA CITY CARD** is accepted. You can buy the **VIENNA CITY CARD** at your Viennese hotel, at the Tourist Information Center (1st District, Albertinaplatz, daily 9:00 to 19:00, 10th District, Vienna Main Station - Am Hauptbahnhof daily 9:00 to 19:00 and at the Airport Vienna - Flughafen Wien 7:00 to 22:00), at sales and information booths of the Wiener Linien or in the online shop at: www.wienkarte.at.

VIENNA INTERNATIONAL AIRPORT

Vienna International Airport is 100% wheelchair-accessible. Pictograms and guidance systems facilitate orientation; monitors at eye-height facilitate the readability of flight information.

A request for assistance can be made 48 hours before departure with the relevant travel company. Assistance by specially trained personnel upon request to the airline; wheelchairs, sedan chairs, special vehicles for transport to and from airplane. Tourist Info is located in the arrival hall (07:00–22:00)

Further information:

www.viennaairport.com/en/passengers/airport/disabled-accessible_travel

Flight information: daily 00:00–24:00, Tel. +43-1-7007-22233, Medical Centre: Tel. +43-1-7007-22245, www.viennaairport.com or www.viennaairport.at

ARRIVAL AND DEPARTURE

BY TAXI:

There are clearly marked parking spaces (free of charge) for disembarking and unloading. Please register at the mobility service counter in the information hall or at Terminal 3 or at the check-in desk of your airline.

By car:

There are wheelchair-accessible parking spaces in Parking Garage 3 (Deck 2), 4 (Deck 0), at Parking Lot C (on the left of the entrance) and a short-stay parking lot K3 (at the thoroughfares to the arrival hall).

Discount in parking fees: 50% discount for Parking Garages 3 and 4 as well as Parking Lot C. The discount is given upon paying the parking fee at the cashier's office in Parking Garage 4, open 24 hours/day (Information: Tel. +43-1-7007-22 886) and upon presenting a copy of: ID according to § 29b StVO or EU parking card

www.europa.eu/youreurope/citizens/travel/transport-disability/parking-card-disabilities-people/index_en.htm

The individual airlines will be happy to assist their passengers with the transfer to and from the airport—be sure to inquire when you obtain your ticket.

By special minibuses:

Transport by special minibuses is available for wheelchair users and their escorts. The following providers offer transport to the Vienna Airport:

- Airport Driver, Tel. +43-1-22 8 22, www.airportdriver.at
- ATS Airport Transfer Service, Tel. +43-1-7007-35910, www.ats-vie.com
- Airport Services VIE, Tel. +43-1-7007-33140, www.airportservices-vie.com

- C & K Airportservice, Tel. +43-1-44 4 44, www.cundk.at
- EasyMotion Limousines, Tel. +43-1-795 10 10, www.easymotion.at/limousines/
- Dr. Richard, Tel. +43 133 100-355, www.rcv.at

By CAT (City Airport Train)

The CAT operates between the railway station “Bahnhof Wien Mitte” in the city center and the Vienna International Airport “Wien Schwechat”. The CAT platforms at Wien-Mitte and at the airport are accessible via an elevator. There are no steps into the train and two wheelchair-spaces in every railway car. Use of the CAT is reduced for wheelchair users.

By S-Bahn:

The entire services of the Austrian Federal Railroads: see Arriving by Train

ARRIVING BY TRAIN

VIENNA'S TRAIN STATIONS

Extremely busy train stations in Vienna, such as the Main Station, Westbahnhof, Wien Floridsdorf and Wien Meidling are wheelchair-accessible for travelers with restricted mobility. In order to organize the best possible assistance for you at the station, ÖBB needs prior notification of your travel requirements at least 24 hours before your journey (at least 48 hours for journeys outside Austria). ÖBB can assist with the following matters:

- Clarifying what facilities are available at the stations and on the trains
- Arranging the time and place to meet
- Providing information on the services available
- Coordinating the space available (wheelchair seat ...)

Further information on traveling with the train is available at www.oebb.at

VIENNA MAIN STATION (WIEN HAUPTBAHNHOF)

Vienna Main Station is the most modern and at the same time important national and international transit hub in Austria. All long-distance trains of the Austrian Federal Railway (ÖBB) stop here and continue farther south to the Wien-Meidling station. All night and car trains end here exclusively. The following services are available at the train station: elevator (24 hours a day), station wheelchair, wheelchair-accessible restrooms, wheelchair-accessible parking spaces and inductive hearing system. Mobility services must be reserved 24 hours prior to arrival: Tel. +43 (0) 5 1717-5, Email: msz@pv.oebb.at The Main Station is directly connected to public transportation.

VIENNA-MEIDLING

The recently converted Vienna Meidling station offers unrestricted wheelchair access.

- Elevators at both ends of the platform
- Guidance system for the visually impaired throughout
- Ramps at both ends of the underpass at Kerschensteinergerasse (access to the eastbound platform)
- 3 parking spaces for visitors with disabilities (at entrance on Eichenstrasse)
- Wheelchair-accessible restroom
- Station wheelchair, elevator and inductive hearing systems available

WESTBAHNHOF

The Vienna Westbahnhof, which is also called BahnhofCity, is the Vienna end station for all regional express trains and the Westbahn.

The main entrance from Europaplatz into the newly designed train station hall and all platforms are wheelchair-accessible. Direct wheelchair access from the subway lines (U3 and U6) into the

train station hall is also possible. Within BahnhofCity, elevators enable barrier-free access to all levels.

Signed car pick-up and drop-off locations for wheelchair users at the entrance on Europaplatz. Guide systems for the blind and inductive hearing systems available throughout the entire train station.

Wheelchair-accessible restrooms are available on levels E1 and E0.

VIENNA-MITTE STATION

Vienna-Mitte train station is served by two subway lines, five express train lines and the City Airport Train (CAT), making it one of Vienna's most important transport hubs. The multi-year remodeling of Vienna-Mitte train station was completed at the end of 2012. Guidance systems for the visually impaired, parking spaces for people with disabilities and wheelchair-accessible toilets are available.

Direct wheelchair access to the station hall is possible from the Landstrasser Hauptstrasse. Wheelchair access to the City Airport Train CAT is possible from Marxergasse. Platforms 1/2, 3/4 are center platforms at basement level. Access by elevator is only possible with the subway elevator for the U3 and U4 lines!! Travel permit required for the subway!! Platform 23 is the platform for the CAT and can be reached by elevator through the CAT terminal.

TRAIN CONNECTIONS

Since there are various types of railway cars, some train connections are not easily accessible for travelers with disabilities and special needs.

CENTER FOR MOBILITY SERVICES

Tel. +43 (0) 5 1717 menu item 5 (local rate)

Daily from midnight to midnight

msz@pv.oebb.at

Fax +43 (0) 5800 830-05555

All stations also offer assistance on the platforms for wheelchair users. Notification at the Center for Mobility Services.

WESTBAHN

The WESTbahn has plied between Vienna and Salzburg every 30 minutes since 10 December. There are 2 lines that are named after the WESTbahn colors. The trains are wheelchair-accessible.

WESTgreen departs from Wien Westbahnhof

WESTblue starts from Wien Praterstern

All you need to know:

www.westbahn.at

PARKING IN VIENNA

SHORT-STAY PARKING ZONES

The center of Vienna and its surrounding districts are limited parking zones subject to parking fees. The following rules apply: In the center of the city and its surrounding districts (districts 1 to 9 and 20) from 09:00 to 22:00 on Mon–Fri (except public holidays), all parking places are short-term and require payment of a fee. Since 1 October 2012, short-stay parking zones have also been available in a number of districts near the Gürtel. Districts 10, 11, 12 and 14 to 18 have also become chargeable short-stay parking zones from Mon–Fri (except public holidays), from 09:00 to 19:00. The area around the Stadthalle is excluded. The short-stay parking zone applies therefore from 09:00 to 22:00 on week days. On weekends (Saturday & Sunday) and on public holidays, short-stay parking applies from 18:00 to 22:00 pm.

In shopping streets, days and parking duration may vary: please pay close attention to the road signs. Short-term parking vouchers can be obtained at most tobacconists, in gas stations and the ticket offices as well as the ticket vending machines of the Vienna transportation system.

Throughout Austria, drivers are exempted from the parking charges in short stay parking zones if they are in possession of a parking pass for disabled persons in accordance with Sec. 29b of the Road Traffic Ordinance (European parking pass). Passengers may also make use of this parking benefit:

www.oeamtc.at/thema/behinderung-mobilität

PARKING SPACES FOR PEOPLE WITH DISABILITIES

In order to improve the mobility of road users with disabilities, the city of Vienna has established numerous general parking spaces for the disabled and published them in a list of districts and as a set of district maps. A list of all locations can be found here:

www.wien.gv.at/verkehr/parken/behindertenparkplaetze/index.html

RESIDENT PARKING

In many districts there are parking spaces specifically reserved for local residents, which cannot be used with a valid parking ticket. These zones are designated by no stopping/no parking signs with additional panels "excluding vehicles with a parking sticker for district xx and people with disabilities".

The short stay parking zones, parking spaces for people with disabilities and residents' parking spaces can also be found on the digital map of the city of Vienna. Click the menu item „Parking“ for relevant information:

www.wien.gv.at/stadtplan

SUBWAY, STREETCAR AND BUS

“Low floor” vehicles operate on almost all streetcar and bus lines in Vienna to make it easier for people with restricted mobility to board and alight. An exception is line 30, which is only a booster train for a regular line. "Low floor" streetcars are now operating on more than every second streetcar group. Displays at the streetcar stations have a blinking wheelchair symbol showing how many minutes are left until a “low floor” streetcar will depart. A dynamic information system about the departure times of “low floor” streetcars is available at www.wienerlinien.at/itip/?lng=uk

“Low floor” buses are in use on all bus routes. The buses are equipped with folding ramps for wheelchair users. In all vehicles, the maximum weight of electric wheelchairs, user and luggage must not exceed 250 kg (maximum length 1250 mm). Gasoline-powered equipment is not permitted.

Vienna’s subway system is very well-equipped for guests with limited mobility. All subway stations and trains are almost entirely wheelchair-accessible. Almost all stations have "guiding strips" for the visually impaired, showing the way to stairs, escalators and elevators.

All of the stations can be accessed by wheelchair (elevator or ramp). However, since elevators need to be serviced or are out of order from time to time, it is possible to check in advance on whether the elevator is in operation on tel. +43-1-7909-100 and on the Internet www.wienerlinien.at/aufzugsinfo. Real-time information is available on the accessibility pages of the Vienna public transport companies:

www.wl-barrierefrei.at

Further information is available on tel. +43-1-7909-0 and www.wienerlinien.at (only in German)

A special service for blind and visually impaired guests is provided by Wiener Linien online:

www.poptis.wl-barrierefrei.at

Check which stop lights have aids for orientation for visually impaired (only in German):

www.wien.gv.at/verkehr/ampeln/signale/index.htm

The extension of the subway network U2-U5 has now commenced. Please anticipate possible changes when planning your trip.

HORSE-DRAWN CARRIAGES FOR WHEELCHAIR USERS

Horse-drawn carriage rides for wheelchair users and one companion in a specially converted carriage. (Wheelchairs: Max. width 68cm!). Boarding, route and duration by arrangement. Price per hour: €110

Guests who can still manage 2 small steps (with assistance) can also have a second step installed to let them sit comfortably on the bench.

The wheelchair is kept safely at the carriage rank! (But can also be carried if space is available).

Tours operate during off-peak times, Monday-Thursday, 11:00 to 18:00 (no supplements).

Departures on Fridays, Saturdays and Sundays are at 10:00 only.

The tours start at the Burgtheater. Sufficient space and a ramp for easy boarding and alighting.

Public parking available around the Burgtheater. Rides in the Prater Wald/ Lusthaus on request.

HUDUSAN KG (PROPRIETOR: KARL NEUBAUER)
